"Teachers Association," Phillipsburg, Kansas, TEACHER'S TRIBULATIONS.

"In much wisdom is much grief; and

If the "wise man" never taught Myrtle Bostetter. Mr. Turner was school he must have been one of the again called for. He made a good members of the school board, for he speech. Mr. Davis was then called for. seems to have had great experience, and He responded and made a motion that says that all is vanity and vexation of to a Laterary society, but that we still business of teaching public school. The teachers trials begin with his first pre-Mr. Turner made a few remarks in paration to become a teacher. It is altavor of the motion. The motion was most impossible for him to ascertain just pounded by the County Board of Examiners. After passing a satisfactory examination and receiving a license his troubles greatly merease and though many of them are too perty to be called Gov. St. John to the Ed. Beloit Courier. tribulations, this only makes them the harder to be borne,

"Hunting a school" has real as well as imaginary difficulties connected with it, especially if it is hunting the first

The inexperienced lady teacher can scarcely get a situation, and when she does succeed in procuring one, she has no assurance how long she may be able We surprise many new customer to retain it. In our rural districts few of the teachers can keep the same situation more than one or at the most two terms, and in fact there are few places that the best of teachers are retained for a longer time. In no other business is there more danger of being dismissed without a just cause. The waywardness J\_ of the pupils increased many times by the unreasonableness of their parents, often makes unnecessary trouble for the faithful teacher.

The government of large schools is al ways difficult, even when the parents are unusually intelligent and assist the

But the greatest tribulation is the low salary; and this causes the teacher trouble to prepare himself to teach well. Grover, Pottamattamic County, Iowa, by The teachers tribulations are always in an inverse racio to his salary. In old times there was less effort to manage We wish the above couple many schools by moral sussion, and the teachhappy hours. Mr. Baum is a young ers were often petty tyrants hated and teared by their pupils. This causes the man, and we predict for him a bright idea to be prevalent that the teacher is a fit subject for persecution, and they are generally hindered instead of encouraged in their work. No wonder the

-Married, at the residence of the Teaching is a good discipline, and its MISSOURI PACIFIC tencher to rise above the petty annoyances and see only the silver lining of Kansas, and pleasant disposition are fit at all to vent a slack of the wire.
